Andy moved to pay the bills, Cinda seconded. All in favor. Fiscal officer instructed to issue warrants for the same.

There was no correspondence.

There were approximately two dozen Rush Township residents in attendance to voice their concern with the Trustee's failure to respond to the Champaign County Commissioners recent correspondence to the

county townships concerning Senate Bill 52 which included new wind and solar siting legislation and provided authority for the board of county commissioners to restrict the location and size of large-scale wind and solar facilities in all or parts of a county. Tim Kemper, spokesman for the group, said that they have collected close to 200 signatures from Rush Township's residents requesting the Trustees tell the County Commissions that the residents want Rush Township to be in the restricted zone right now for wind & solar farms.

Old Business:

Two property owners – Jim Wiedner and Rick Deneski – on Urbana Woodstock Pike spoke to the Trustees about getting their properties squared up due to the recent Cushman land donation to the Township. The gentlemen will pay to have Bill Edwards survey the part of their properties that is affected. They will get back with the Trustees with the results.

Andy reported that Terry House of Koenig is working on drawing up a quote for the tractor.

New Business:

Andy made a motion to adopt Resolution #02-2022-09-19 to recommend that the Champaign County Board of Commissioners restrict in all of Rush Township to the siting of an economically significant wind farm (between 5 and 49 megawatts), a large wind farm (50 megawatts or more) and a large solar farm (50 megawatts or more). Cinda seconded the motion. Roll call was taken. All in favor.

The next township meeting will be held on Monday, October 3, 2022 at 7:00 PM.

Being no further business, Andy made a motion to adjourn, seconded by Cinda.

Respectfully Submitted,

Kathy Packman, Fiscal Officer Kathy Packman

Chairman Ed Tandy
